STATEMENT REGARDING EXPRESS MAIL DUE TO TERRORISM

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Kery Fries:

Thank you for your phone call. This correspondence constitutes a written, sworn statement regarding a correspondence that I sent in on November 20, 2001. The correspondences involved the above referenced application, i.e., 09.935,116. On November 20, 2001, I personally went to the post office in Bradenton FL (75th street) and submitted a packet prepared with an express mailing label and envelope. The correspondence was dated November 20, 2002. At the post office they advised me that they could not send express mail to Washington at that time due to terrorist threats and related mail backups. At that time, I transferred the contents of the packet to a priority mail envelope and sent it in priority mail. I put a short note explaining why into the packet and left the express mail certificate as it was.

Please afford the referenced correspondence the November 20th filing date. My signature block for this correspondence is on the following page.
